Shhh

Shhh

Shhh

Down at the creepy castle

Nobody's ever home.

Down at the creepy castle

You're scared to be alone.

You never know, you never know,

You never know, you never know.

What is about to happen,

Your heart begins to thump.

What is about to happen,

When something makes you jump.

You never know, you never know,

You never know, you never know.

Run away, there's a ghost behind me.

Hide in here and it might not find me.

Run away as fast as lightning,

Creepy castle, it's so frightening!

Shhh

Shhh

I look through a tiny keyhole,

Too terrified to speak. *Shhh*

I look through a tiny keyhole

Then something starts to creak.

You never know, you never know,

You never know, you never know.

Run away, there's a ghost behind me.

Hide in here and it might not find me.

Run away as fast as lightning,

Creepy castle, it's so frightening!
