

Oats and beans and barley grow

Chorus

*Oats and beans and barley grow,
Oats and beans and barley grow,
Can you or I or anyone know
How oats and beans and barley grow?*

First the farmer sows his seed,
Then he stands and takes his ease,
He stamps his foot and claps his hands,
And turns around to view the land.

Waiting for a partner,
Waiting for a partner,
Open the ring and let me in,
While we all daily dance and sing.

Chorus

Next the farmer waters the seed,
Then he stands and takes his ease,
He stamps his foot and claps his hands,
And turns around to view the land.

Waiting for a partner,
Waiting for a partner,
Open the ring and let me in,
While we all daily dance and sing.

Chorus

Next the farmer hoes the weeds,
Then he stands and takes his ease,
He stamps his foot and claps his hands,
And turns around to view the land.

Waiting for a partner,
Waiting for a partner,
Open the ring and let me in,
While we all daily dance and sing.

Chorus

Last the farmer harvests his seed,
Then he stands and takes his ease,
He stamps his foot and claps his hands,
And turns around to view the land.

Waiting for a partner,
Waiting for a partner,
Open the ring and let me in,
While we all daily dance and sing.
